Introduction

Purpose

The Saskatchewan Nurses Foundation Bursary Program has been developed to:

1. foster excellence in nursing
2. further the contribution of the nursing profession to society

Administration

The Saskatchewan Nurses Foundation Bursary Program is administered by an appointed Awards Committee. This committee reviews the applications for individual awards based on criteria for the selection of recipients and funds

available, and identifies and recommends award recipients to the SNF Board for approval. The decisions of the SNF Board are final and not subject to appeal.

Maximum Bursary at a Program Level

1. An applicant may receive only the maximum bursary at each program level, although the amount might be awarded over more than one year.
2. The maximum amounts to be awarded are:
 - \$4,000 for a nursing baccalaureate level program.
 - \$6,000 for a masters level program.
 - \$10,000 for a doctoral level program.
3. The amount of the award paid cannot exceed the total tuition paid for the course(s) in the academic year (September 1, 2021 – August 31, 2022).

Application Requirements

1. Completed applications for bursaries for degree level programs must be received by September 30th, 2021.
2. Applications must be completed fully, including a copy of a letter of confirmation of acceptance into the degree level program, receipt of a statement of tuition paid, and receipt of all required reference letters.
3. A new and complete application must be submitted for each bursary request, even if the applicant has received a previous bursary for the same program of studies.
4. **Late or incomplete applications (i.e. references not yet received) will not be considered.** It is the responsibility of the applicant to ensure that all required information has been submitted by September 30, 2021.
5. A statement of tuition fees assessed for the academic year September 1, 2021 – August 31, 2022 must be submitted with the application form.

Repayment of Bursary

1. For each two thousand dollars awarded, the recipient is required, at the end of the educational program, to complete one year of work in a professional nursing capacity as defined by Foundation policies. This work must be done in the Province of Saskatchewan. If less than

\$2,000.00 is awarded, the recipient must work a proportionate period of time in Saskatchewan.

2. Nurses granted a bursary must:
 - i) notify the Executive Director of the Foundation of any change of name or address.
 - ii) promote SNF's purpose as requested by the Board.
 - iii) contact the Executive Director of the Foundation within three months of completing the degree level program, to advise of employment status.
 - iv) provide the Executive Director of the Foundation with an employment record covering the period of the required work commitment following completion of studies. The employment record shall include the complete name and address of the employers.
 - v) be willing to have one's name released to the press and for other public relations purposes.
3. Should the bursary recipient continue studies past the projected date of completion, the Executive Director of the Foundation must be notified in writing as soon as possible.
4. In the event that the bursary recipient should for any reason fail to complete a degree level program, the recipient must, within one year of formally withdrawing from or being asked to leave the degree level program, repay the amount of the Bursary together with interest at the prime rate set by the Bank of Canada at the time of leaving the program plus two percent per annum to the date of payment.
5. If the bursary recipient has not commenced work in a professional nursing capacity in Saskatchewan within one year (12 calendar months) after the completion date of the program for which they received the bursary, the Foundation requires repayment in full of any bursary. Repayment shall commence in the thirteenth month after completion of the program for which they received the bursary.
6. If the bursary recipient is unable to work in a professional capacity because of enrolment in another program, the bursary agreement requirements will be deferred until the end of that program.

Eligibility Criteria – General Information

A nurse is eligible to apply for a degree level program bursary if they:

1. are currently registered as a practicing member of the Saskatchewan Registered Nurses' Association; and
2. are enrolled in:
 - a. a post registration nursing Baccalaureate program; or
 - b. a Masters or Doctoral program judged applicable to nursing
4. An applicant is considered to be a full time Baccalaureate student if they are enrolled in classes which:
 - a. carry a minimum of 18 credits per academic year; or
 - b. comprise a competency-based program deemed equivalent to (a).
5. Full time or part time status is considered when awarding funding for bursaries. Bursaries may be prorated for part time students.

Eligibility Criteria – Specific Bursaries

The Saskatchewan Nurses Foundation administers the Saskatchewan Operating Room Nurses Group (SORNG) Memorial Bursary. This bursary is provided by the SORNG through the SNF. This bursary is given to a nurse whose current focus is perioperative nursing. Preference is given to applicants who have been active on healthcare committees, have held executive positions in a healthcare organization and who have published an article or made an educational presentation.

Completing the Bursary Application Form

Every time you apply for a degree level program bursary, you must complete the Saskatchewan Nurses Foundation Bursary Application for Degree Level Programs form in **FULL**. We need an application form for each year to ensure the accuracy of our records.

To avoid processing delays, please consider accuracy and legibility, and ensure that the application form and all additional documentation are complete before submitting.

The completed application form, together with a copy of a letter of confirmation of your acceptance into the educational program, a statement of tuition fees, and all reference letters must be emailed to the Foundation.

Completing the Bursary Application Form – Complete this form on your computer and email the completed form. Do **NOT** include a CV as part of your application form.
